畢業學分數128學分(一年級體育及一年級全民國防教育軍事訓練課程學分另計),含必修96學分;專業選修至少32學分。

Graduation Requirements: 128 credits (Freshman Physical Education and All-out Defense Education Military Training are not included) Required: 96 credits; Elective: at least 32 credits

## Regulations

1. The total number of credits required for graduation is 128, including 28 university-required credits, 9 college-required credits, 59 department-required credits, and 32 professional elective credits.
2. Students in their first to third years may take 16–25 credits per semester, while fourth-year students may take 9–25 credits. Detailed regulations are governed by the University Academic Regulations.
3. In accordance with the University's implementation guidelines for Chinese proficiency, English proficiency, information technology competency, and physical fitness, students must pass all required assessments to be eligible for graduation.
4. Students must meet the standards specified in the Department's "Implementation Guidelines for Professional Competency Assessment" to be eligible for graduation.
5. Students of this department who pass the University's Information Competency Assessment Implementation Guidelines and obtain the corresponding information competency certificate shall have the certificate recognized by the department as a foundational workplace information application certification.
6. Students may take courses offered by other departments that are not available in this department. Upon departmental approval, up to 20 credits (including interdisciplinary program credits) may be counted toward professional elective credits. Students may also take courses at other universities, limited to one course. Credits earned will be included in the calculation of external elective credits. Inter-institutional enrollment shall follow the University's "Implementation Guidelines for Inter-Institutional Course Selection."
7. Students participating in the Ministry of National Defense Reserve Officers' Training Corps (ROTC) who have completed required training and obtained certification may apply for exemption from internship courses, up to a maximum of 10 credits. Students applying for a full-semester internship exemption must complete registration and enroll in at least one course during that semester.
8. For the courses "Professional Internship" and "Fashion Industry Internship" in this department, each credit hour is limited to a maximum of 80 internship hours for students.
